

Safe Haven Partnership Pack

Professional Supported Accommodation & Referral Partnerships

Safe Haven works collaboratively with councils, housing teams, healthcare professionals, support organisations, and safeguarding partners to provide structured accommodation pathways for women requiring stability, housing-related support, and move-on planning.

Our approach is safeguarding-aware, partnership-led, and focused on providing safe, structured, and professionally managed accommodation pathways.

About Safe Haven

Safe Haven is a supported accommodation and referral organisation designed to provide structured housing-related support for women who require safe accommodation and stability.

We work alongside

- Local authorities
- Housing teams
- Domestic abuse organisations
- NHS teams
- Social workers
- Community support services
- Probation services
- Safeguarding professionals

Our focus is to

- Support tenancy sustainment
- Promote stability and wellbeing
- Encourage independence
- Assist with move-on planning
- Provide structured support pathways

Safeguarding-aware, partnership-led, and structured for professional referral pathways.

Structured Support Model

Focused on housing stability, safeguarding awareness, and partnership working

Safe Haven delivers a professional and structured support model focused on:

Housing Stability

Providing accommodation pathways designed to help women maintain safe and stable housing.

Structured Support

Working collaboratively with professional referrers and support teams.

Safeguarding Awareness

Maintaining professional safeguarding procedures and escalation pathways.

Partnership Working

Operating alongside councils, support organisations, healthcare teams, and housing professionals.

Move-On Planning

Supporting long-term housing outcomes and independence.

Move-on planning

Referral Process

1. Initial placement enquiry
2. Referral documentation submitted
3. Screening and risk review
4. Needs and suitability assessment
5. Placement decision
6. Move-in coordination
7. Ongoing support and move-on planning

Every referral moves through a clear review process before placement decisions are made.

Benefits, Safeguarding & Contact

Professional communication, organised referral management, and multi-agency working

Partnership Benefits

By partnering with Safe Haven, organisations benefit from:

- Structured referral pathways
- Professional communication
- Safeguarding-aware practices
- Collaborative working approach
- Housing stability focus
- Organised referral management
- Professional accommodation pathways

Safeguarding Commitment

Safe Haven is committed to maintaining safeguarding-aware working practices and collaborative multi-agency communication.

If someone is in immediate danger or requires emergency intervention, emergency services or the appropriate safeguarding pathway should be contacted immediately.
